Ashby Navis & Tennyson Media Publisher, LLC.

**16 independent multi-genre progressive bands unite to create a stunning compilation album, *Oceanic Prog II*. (Available in MP3, APP, and Video Game formats) The *Oceanic Prog II* album is available for free in deluxe combo pack (MP3 Album, App Album, and Video Games) from [Spaceprog.com](http://Spaceprog.com).**

“Independent prog is in an amazing state of diversity and creativity. Multi-band compilations are a great way to showcase the new approaches modern prog bands are taking with advances in recording, technology, and international collaboration,” says *Oceanic Prog II* producer Anthony Morse. He previously produced the Classic Rock Magazine Track of The Day winning album *Honor Thy Drummer*.

Two music videos have been created to support the launch, featuring songs by Widek and Pervy Perkin. The GCI video and background APP photos were created and designed by Pyrotech Demogroup.

Background and Cover Artwork and additional APP backgrounds for *Oceanic Prog II* appear courtesy of Chris Cold.
